AMT:

We had a call from a Mr. Mike McOsker, of Randolph Macon College, where DCI is g to give commencement address on 30 May. He said the college president, Mr. White, had written to Mr. Bush regarding the possibility of setting up a press conference on the occasion. McOsker was calling in the hope that we might give him a yes or no and info on needed arrangements. I tried to call but she was at lunch and not expected back until after I have to leave for C of C. McOsker's number: 804-798-8372 extension 219.
